Canada-ASEAN Scholarships and Educational Exchanges for Development

COMPETITION NOW OPEN

The application period is open for exchanges during the 2023-2024 academic year. Canadian institutions must apply online on behalf of candidates by the March 28, 2023 deadline.

On August 6, 2017, the Government of Canada announced the Canada-ASEAN Scholarships and Educational Exchanges for Development (SEED) program to provide opportunities for students from ASEAN member states to conduct short-term study or research in Canadian post-secondary institutions in areas that contribute to the implementation of the [2030 Agenda for Sustainable Development](#)

The Canada-ASEAN Scholarships and Educational Exchanges for Development program aims to reduce poverty in the developing countries of ASEAN and to achieve the [2030 Agenda for Sustainable Development](#) . Scholarships and educational exchanges will contribute towards the achievement of all [Sustainable Development Goals](#) (SDGs). SEED contributes to strengthening people-to-people ties between Canada and the Indo-Pacific region.

SEED scholarships are facilitated through institutional collaborations and student exchange agreements between post-secondary institutions in Canada and their partner institutions in ASEAN countries.

The Canada-ASEAN Scholarships and Educational Exchanges for Development Program is a Short-term Exchange Program under Global Affairs Canada's International Scholarships Program.
